This Is the Dawning of New Beginnings

A yearbook is a pictorial record of people and events

In this you will find pictures of classmates

teachers

teams

working, learning, playing

As you look at this book, please remember that

it is not the final record. Always we are becoming as we learn more and

more about ourselves. Always we are at the dawning of new beginnings.

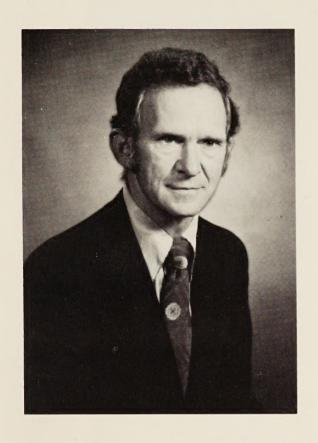

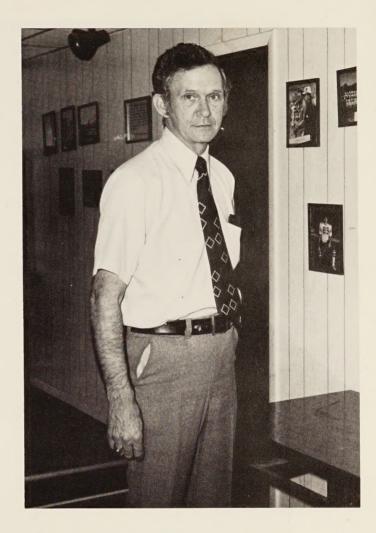

The 1978 Annual Staff
Proudly Dedicates Its
Annual to—
Mrs. Ella Jean Davis
and
Mr. Ralph Cummins

We recognize in Mrs. Davis the constant and consistent desire to assist us in classroom as well as in extracurricular activities. For this unerring devotion we are most sincerely appreciative.

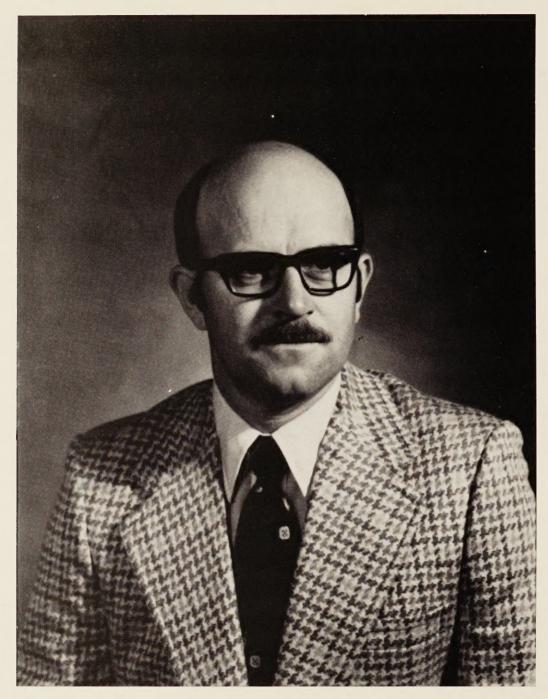

To Coach Cummins we say our sincerest thanks for leading us to victory both on and off the field.

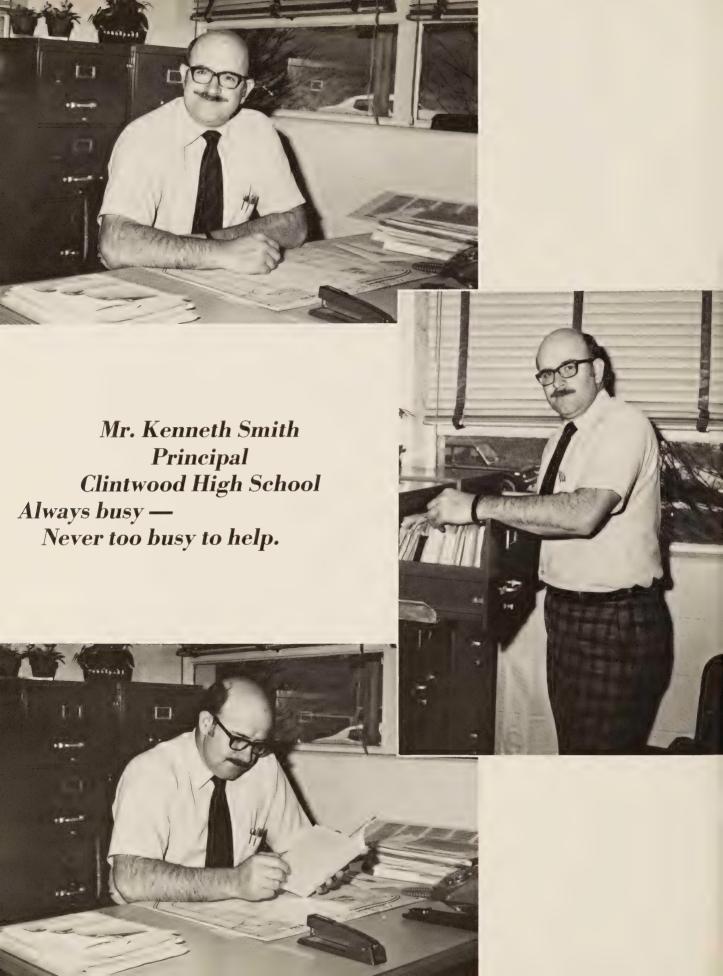

His personal life speaks louder to us than his words.

Our goal at C.H.S. is to prepare each student for life intellectually, socially, physically and vocationally. To this end we have offered a wide range of subjects, clubs and sports. We hope you have taken advantage of these opportunities so you can better meet the challenges of today's world. We wish you the best.
